

PULLING EXPERT, ALEX NOVA!

The Pulling Professor's picking-up formula!

Before ZOO Man hits the bars, Australia's leading scoring scientist reveals his top magic methods

1 Concentrate on the quieter bars
ALEX SAYS: "Of course, women are absolutely everywhere, but the best places to meet them are the quieter bars, lounges and clubs. Look out for some hidden venues off the beaten track that not a lot of people talk about, or even better, ones where the bouncers make it hard for large groups of guys to get in - this is where the best-quality women go. Try and avoid a typical pub where every Tom, Dick and Harry hits after work. These places tend to be chock full of blokes on the prowl and lack top-class chicks. Less competition will see the odds tip in your favour."

2 Just say "hi"
ALEX SAYS: "If nothing comes to mind, saying 'hi' is better than nothing. If you want to use conversation openers, then I suggest asking women an opinion about something. For instance, 'Hi, I need an honest female answer: Who lies more? Men or women?'. Then watch them give you their view. This is also great if there are guys in the group as it creates a debate and some friendly banter."

3 Act confident and smile
ALEX SAYS: "You need to act assured to meet women. Here are some quick ways to exhibit confidence... stop

slouching and keep your back straight. This shows other people that you're not afraid of showing yourself to the crowd. Use more space when you sit down, lean back and 'chill out'. Most importantly, smile! Friendly guys get friendly with girls."

4 Approach as many women as you can
ALEX SAYS: "Practice makes perfect. Remember to have fun and not take meeting women too seriously. It's simple mathematics but the more chicks you approach, the better your chances are at finally hooking up with the one that's right for you..."

ZOO MAN TESTS THE THEORY!

Fancy a short one, ladies?

KNOCKED BACK!

8:32PM Looking sharp and totally pumped after his pulling pep-talk, ZOO Man finds a bar that's not too packed, and immediately attempts to hook up a threesome with two hot blondes at the bar.

8:37PM "Just say 'hi'?" Hmm, sounds a bit softcock. So ZOO Man tries a different opening line: "You look like the kind of girls that don't make a bloke pay for sex!" Despite the fact they've been sinking piss since 5pm, they're having none of it, and the chicks proceed to ridicule his line, his hair, and pretty much everything about him. It also turns out that they're sisters...

9:31PM OK, time to ditch the crap pick-up lines and stick to the plan. With a couple of classy drinks in hand, ZOO Man confidently struts up to a stunner by the window and mumbles, "Er, hi". She's waiting for a mate, so luckily she's bored and up for a bit of cheeky banter. Get in!
